1.0 OVERVIEW

Your agency has subscribed to use SureLC, a licensing & contracting automation software. At some point in your career, you will likely need to be contracted with multiple insurance companies to sell their products. Rather than you manually filling out each insurance company's contracting paperwork whenever you need a new appointment, SureLC automates this process. You setup your profile in SureLC one time, and then whenever you need an appointment with a new insurance carrier, or you need a new non-resident appointment, SureLC automates this process for you and your agency.

3.0 SETTING UP YOUR PROFILE

Once you set up your profile in SureLC, it will be used to populate all requested contracting paperwork.

Step 1: After logging in, click on the Producer Info icon.

Step 2: Complete all Information under each 'Tab'

The image shows the 'Joe Smith's INFO' profile page. At the top, there are navigation links for 'Home', a star icon, a help icon, and the text 'Joe Smith's INFO'. On the right, there are 'Next' and 'Request Appointment' buttons. The main content area is divided into sections: 'IDENTIFICATIONS (NPN:3243072 / SB:501)', 'NAME', 'DOING BUSINESS AS', 'Residential Address', and 'Mailing Address'. Each section contains various input fields for personal and business information. At the bottom, there is a navigation bar with tabs: 'PERSONAL', 'QUESTIONS', 'LICENSES', 'EFT', 'HISTORY', 'E&O', 'PRINT', and 'SCAN'. A red text box with arrows pointing to each tab contains the following text: 'Click on each 'Tab' to Input the necessary information. Once you have completed all the necessary information under that tab, you will get a Green Check Mark.'

Step 3: SureLC now needs your signatures on 2 required documents. In addition, if you want commissions direct deposited to your account, you will need to provide a copy of a voided check. Finally, if you have Errors & Omissions (E&O) insurance, SureLC needs a copy of the declaration page of your E&O insurance so it can be presented to the carriers when requested.

Click on the Print Tab. Print or Email the Signature Authorization Form.

4.0 REQUESTING A CARRIER APPOINTMENT

After your profile has been set up in SureLC, you can request your agency to submit contracting paperwork with any carrier.

4.1 Appointment Request Outside of SureLC

If you prefer not to use SureLC to ask your agency to submit contracting paperwork for a desired carrier, you can:

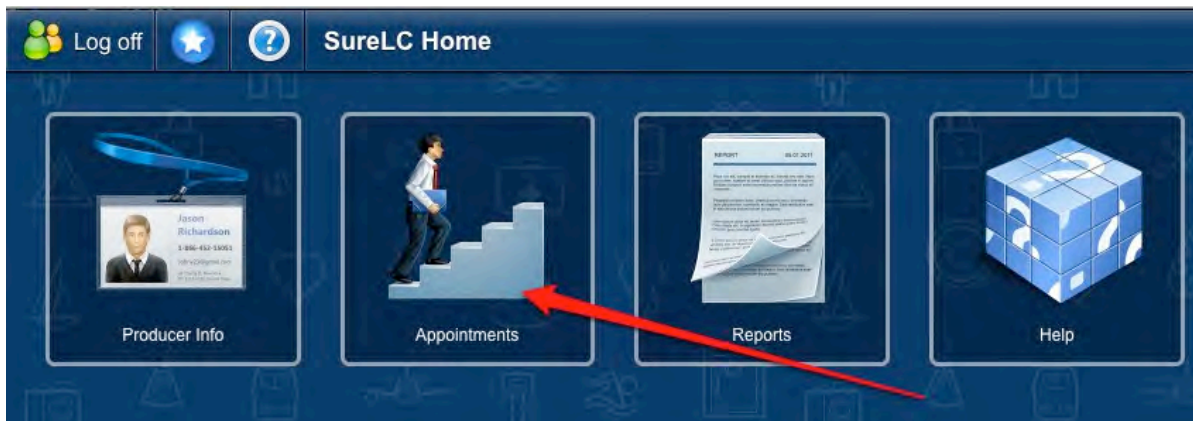

- Send your agency an email
- Call your agency
- Fax a request to your agency
- Submit new business to your agency, which will prompt them to process appointment paperwork if you are not contracted with the carrier (non pre-appointment states only).

4.3 Request Appointments through SureLC

You can submit a request to your agency for an appointment through SureLC. Follow these instructions: **Step 1**: Click on Request Appointment in the Producer Info section.

Or, Click on the Appointment Icon on the SureLC Desktop.

Step 2: Click on the Request Appointment button:

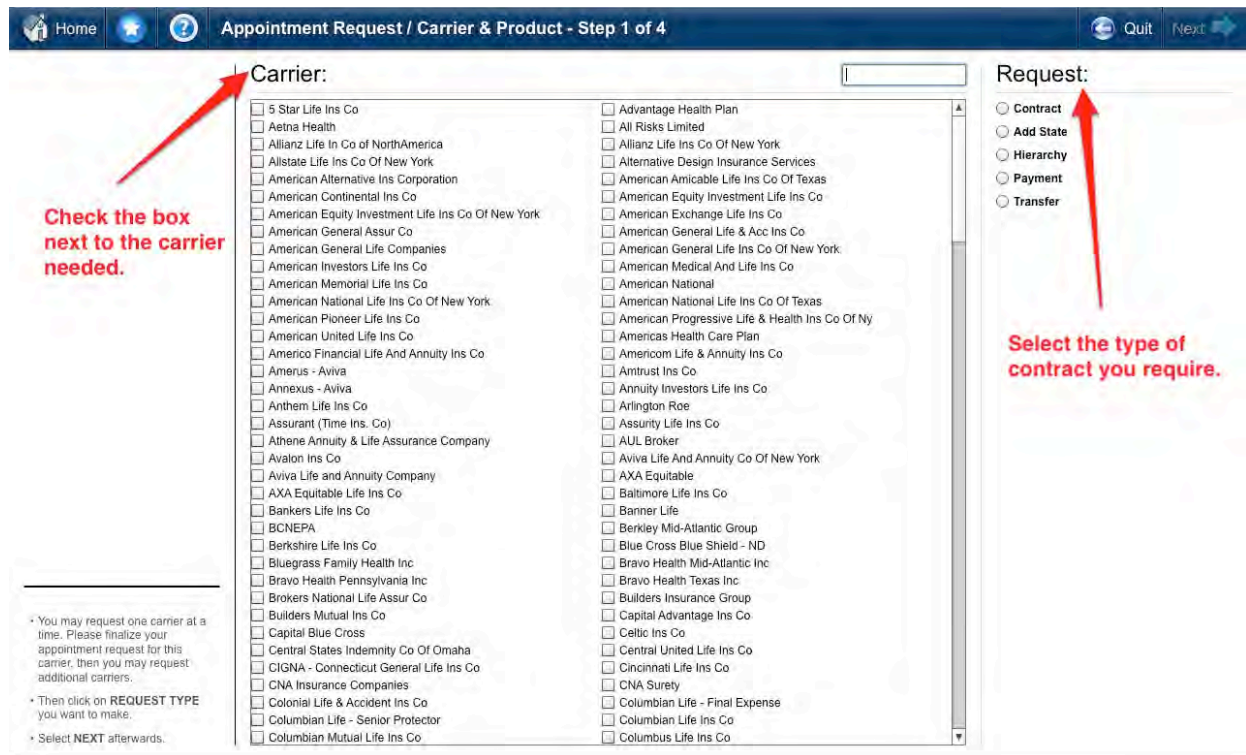

Step 3: Make your selections on each page. Once you have completed Steps 1 thru 4, click on the Send to BGA button. Your request will be submitted to your agency.

Some carriers require you to initiate your request for an appointment directly through SureLC, while others do not.

If a carrier requires you to initiate a contract request through SureLC, you will need to view the auto-completed contracting paperwork, Confirm it is accurate, prior to submitting the request to your BGA. If you are not satisfied with how the contracting paperwork has been completed, you will need to adjust your profile in SureLC prior to submitting the request to your BGA.
